The image displays four randomizer elements in a survey flow editor, each with a list of associated show blocks. Each randomizer element has a control bar with a 'Randomizer' icon, a 'Randomly present' dropdown set to '3', a plus sign, and the text 'of the following elements'. A checkbox for 'Evenly Present Elements' is present, with 'Edit Count' next to it. Action buttons 'Add Below', 'Move', 'Duplicate', 'Collapse', and 'Delete' are located at the bottom right of the control bar. Below each randomizer is a list of show blocks, each with a 'Show Block' icon, a title, a question count, and the same set of action buttons. A '+ Add a New Element Here' link is at the bottom of each list.
